Flag Halyard Chair and Ottoman

Perfectly balanced and built with a solid stainless steel frame and 240 meters of textured flag line, this modern industrial beauty upholds the iconic style of the original Danish design. As Hans Wegner conceived the idea for this chair while at the beach, the wide-set and low frame is naturally perfect for an afternoon rest, especially when matched with the cozy comfort of a sheepskin throw and down feather filled headrest. This set includes the matching Flag Halyard Ottoman.

Also available in chair only here and ottoman only here.
